**MINUTE (No. 3) OF POWELL J
[Ngā Potiki Minute No. 10]**

[1] The purpose of this Minute is to provide an update since the issue of Ngā Potiki Minute (No. 9) on 16 December 2020.

[2] In the event the provision of submissions on the scope of stage 2 hearings issue proved to be more protracted than the original timetable envisaged. Likewise, I was not able to immediately consider the issues raised due to a busier than normal start to the Court year. It is expected a determination will be able to be issued shortly.

[3] In the meantime a number of parties have filed memoranda seeking various amendments to the existing timetable. While there appears little controversy about the amendments sought, I consider it premature for changes to be made until I have issued my decision on the scope of hearings issue.

[4] As a result, once the scope of the hearings decision has been issued a telephone conference will be convened shortly thereafter to address any issues arising, and that conference will deal with all requests for an amended timetable for the stage 2 hearings at that point.
