**MINUTE (No. 19) OF POWELL J  
[Ngā Pōtiki Minute No. 28]**

---

[1] At the close of the hearing on 2 November Ms Feint, on behalf of all counsel, made a request for an extension for the time for filing closing submissions until 9 a.m. on Monday morning and a delay to the commencement of the closing submissions hearing until Tuesday 9 November 2021.

[2] As I discussed with Ms Feint the existing filing date had been determined at a point when it was hoped the evidence could be completed by today and was in any event subject to review. Noting that the evidence will not now complete until tomorrow 3 November 2021 at the earliest, as well as the fact that one of the Motiti witnesses has passed away and there will be a tangi on Motiti on Thursday, I accept that it is reasonable for there to be an extension to the filing date for closing submissions.

[3] Following discussion with counsel and for the reasons discussed in Court the present timetable is amended as follows:

- (a) all parties are to aim to have their closing submissions filed and served by 7 pm on 7 November 2021 and such submissions are at the very latest to be filed by 9 a.m. on 8 November 2021;
- (b) the hearing of closing submissions will commence at 2.15 pm on Monday 8 November 2021..
