LIMITATION STATEMENT

This map has been produced for the purpose of a High Court application for recognition of (either) customary marine title/protected customary rights (or) customary marine title and protected customary rights and has not been produced for any other purpose. Access to material filed in the High Court is governed by the Senior Courts (Access to Court Documents) Rules 2017.

DISCLAIMER STATEMENT

The parcel boundaries used for the production of the maps that support the application for a CMT are sourced from LINZ records. No attempt has been made to validate the accuracy of parcel information accepted off the DCDB layers. As a result, the exact relationship between the line of MHW and adjacent parcel boundaries defining the landward extent of the CMCA require verification by legal survey.

LIMITATION STATEMENT

This map has been produced for the purpose of a High Court application for recognition of [either] customary marine title/protected customary rights [or] customary marine title and protected customary rights and has not been produced for any other purpose. Access to material filed in the High Court is governed by the Senior Courts (Access to Court Documents) Rules 2017.

DISCLAIMER STATEMENT

The parcel boundaries used for the production of the maps that support the application for a CMT are sourced from LINZ records. No attempt has been made to validate the accuracy of parcel information accepted off the DCDB layers. As a result, the exact relationship between the line of MHW and adjacent parcel boundaries defining the landward extent of the CMCA require verification by legal survey.

LIMITATION STATEMENT
 This map has been produced for the purpose of a High Court application for recognition of (either) customary marine title/protected customary rights (or) customary marine title and protected customary rights and has not been produced for any other purpose. Access to material filed in the High Court is governed by the Senior Courts (Access to Court Documents) Rules 2017.

DISCLAIMER STATEMENT
 The parcel boundaries used for the production of the maps that support the application for a CMT are sourced from LINZ records. No attempt has been made to validate the accuracy of parcel information accepted off the DCDB layers. As a result, the exact relationship between the line of MHW and adjacent parcel boundaries defining the landward extent of the CMCA require verification by legal survey.
