

Closure of Wellington High Court

The Wellington High Court remains closed until further notice while structural engineers are undertaking further assessments.

Planning is underway to operate the Court from alternative premises in central Wellington. The profession will be advised of the extent to which the Court can resume hearings, and the location of them, early next week.

The Registry has not been able to collect mail addressed to the Wellington High Court since the mail centre was closed after the earthquake. Mail will now be diverted to the Wellington District Court and is being collected. Mail posted to the Wellington High Court since the earthquake will be collected as soon as possible.

The Registrar will communicate further with the profession as soon as possible.

Matters of utmost genuine urgency should be referred to the Court Manager, Jane Penney, on 027 509 3918

Dobson J
Wellington Executive Judge
